Dear Church Family,

Over the last week, much has changed in our world. Those in leadership in our nation and state have asked us to limit our gatherings to no more than 10 people at a time. Also, when gathered, people should maintain a distance of at least 3 to 6 feet. Due to these reasons and our desire to protect vulnerable members of our congregation, the Elders have decided to suspend in-person worship at this time until further notice. We will keep a close eye on the situation and let you know when we will have in-person worship together.

We will continue to hold worship online using Facebook Live as our primary place for participation. After the service, we will also post the audio of the worship on our church website. We will also use Zoom for our Wednesday evening Bible Study. We will send out the link each week if you would like to join us.

If you do not have access to these online methods, please reach out to us. We will mail you a copy of the sermon. Also, please let us know of your prayer concerns and other needs. We want to help each other in any way we can.

I encourage you to continue to give weekly to PCC. Even during this time, PCC still has financial obligations we need to meet. Please continue to give with glad and generous hearts. You may give by mailing your offering to the church or by using the online giving method found on our website.

Even though we may not worship together in person with each other, please know that we can still unite our hearts, minds, and spirits together through prayer. I encourage you to pray for one another, for Parma Christian Church, and most importantly for our country and world. I pray that we will all feel the peace and comfort of Christ during these difficult days.

Grace and Peace,  
Rev. Nancy
